RARE EVO

Evolving in Web3

Aug. 24th - 26th 2023

Denver, CO

Gaylord Rockies Resort & Convention Center

The Event

Rare Evo is a blockchain industry networking convention held in Denver, CO. The event is comprised of innovators, builders, entrepreneurs, creatives, investors and educators. We welcome a variety of communities throughout the Web3 space, as well as onboard industry leaders to celebrate the convergence of traditional industry and blockchain innovation.

Join us August 24-26th 2023 in Denver, CO at The Gaylord Rockies, for two days of networking, exhibiting, education, and celebration. The event will be indoor and outdoor with 3 possible evening social events and afterparties all including live music.

The Venue

The Gaylord Rockies Resort & Convention Center, situated amidst the alpine charm of Denver, Colorado offers guests a world-class convention center experience and a wide variety of family friendly activities, entertainment, and dining options.

The venue's close proximity to Denver International Airport, 1400 guest rooms, 5 restaurants, water park, lazy river, world-class spa and state of the art fitness center, made it a fantastic choice for the Rare Evo event. It enables us to provide attendees both a relaxing, and comfortable stay with plenty to do whilst connecting with members in the Web3 space and traditional industry professionals interested in blockchain.
